We're excited to welcome Grade 9 students and their families who are designated to Dr. E.P. Scarlett High School for the 2027–2028 school year. Join us for an engaging and informative evening where you'll discover what our Advanced Placement (AP) program has to offer. You'll learn how the program is structured, why AP can be an inspiring and rewarding choice, and hear firsthand from current students about their experiences. We look forward to meeting you and helping you envision the possibilities that await at Scarlett!
