How does this benefit my child at Dr. E.P. Scarlett High School?

On average, Casino funding contributes **\$70,000** every two years. This is the most important fundraising activity we do as a school. It pays for:

Chrome Books / Computers	Smart Boards	Study and Seating areas
Software	Library Books	Speciality Reading Material
Field Trips	Sports, Art, Lab, Drama, Club Equipment	& more!

It may feel like a big commitment, but it's VERY valuable for our school. Each volunteer shift brings in approximately \$2,000. Plus, it's actually a lot of fun to meet others in our school community!

Don't worry if you've never done it before, you'll get all the training you need.

You also get a free meal during your shift.

Frequently Asked Questions

What does "working a casino" mean?

All casinos in Alberta require volunteers for them to run. Volunteers are responsible for the count room.

Some of the roles to fill are:

- Take chips to game tables when they need to be re-filled.
- Pay out customers who want to cash in the chips they have been using.
- Count the money the game tables have brought in during the day.

All jobs are computerized and there is a paid supervisor to walk everyone through the process.

Who can work in the casino count room?

Anyone who is 18 years of age and over, who does not have a criminal conviction and has not excluded themselves from entering a casino.

You do not need a police clearance.

Volunteers can be grandparents, uncles, aunts, friends and adult siblings. No experience necessary.

How do we get there?

There is free parking on site. If you don't drive but would like to volunteer, we can set up carpooling for you, or we can pay for a cab. We will be at the Deerfoot Inn and Casino.
